

This intensive two-week program is designed for foreign nationals who would like to study Law in Sydney. The program consists of interactive seminars and lectures across a range of common law areas, as well as field trips to the Supreme, District and Local courts to experience the law in action. This program is delivered entirely in English, so a sound proficiency in English is essential.

The UTS campus- It's unique. We've spent more than \$1 billion on a transformation program, and the results are stunning: iconic buildings, purpose-built spaces and technology-driven learning opportunities that are second to none. What's more, we're in the heart of the action, close to the CBD, law firms, barristers' chambers, the courts and other legal businesses, so you're only a short walk away from the big end of town.
